## VOLUME 1

Contributors	xi
Preface	xxix
How to use this book	xxxix
Abbreviations	xxxiii

---

### **PART 1 CELL BIOLOGY – EDITED BY NICHOLAS S JONES** **1**

1	Molecular biology <i>Michael Kuo and Richard Irving</i>	3
2	Genetics <i>Karen P Steel</i>	15
3	Gene therapy <i>Scott M Graham and John H Lee</i>	23
4	Mechanisms of anticancer drugs <i>Sarah Payne and David Miles</i>	34
5	Radiotherapy and radiosensitizers <i>Stewart G Martin and David AL Morgan</i>	47
6	Apoptosis and cell death <i>Michael Saunders</i>	56
7	Stem cells <i>A John Harris and Archana Vats</i>	66

---

### **PART 2 WOUND HEALING – EDITED BY NICHOLAS S JONES** **85**

8	Soft and hard tissue repair <i>Stephen R Young and Melissa Calvin</i>	87
9	Skin flap physiology <i>A Graeme B Perks</i>	110
10	Biomaterials, tissue engineering and their applications <i>Colin A Scotchford, Matthew Evans and Archana Vats</i>	118

---

### **PART 3 IMMUNOLOGY – EDITED BY NICHOLAS S JONES** **131**

11	Defence mechanisms <i>Ian Todd and Richard J Powell</i>	133
12	Allergy: basic mechanisms and tests <i>Stephen R Durham and Graham Banfield</i>	144

13	Evaluation of the immune system <i>Elizabeth Drewe and Richard J Powell</i>	167
14	Primary immunodeficiencies <i>Elizabeth Drewe and Richard J Powell</i>	174
15	Rheumatological diseases <i>Adrian Drake-Lee</i>	183
<b>PART 4 MICROBIOLOGY – EDITED BY NICHOLAS S JONES</b>		<b>193</b>
16	Microorganisms <i>Vivienne Weston</i>	195
17	Viruses and antiviral agents <i>Paul Simons and Karl G Nicholson</i>	204
18	Fungi <i>Juliette Morgan and David W Warnock</i>	213
19	Antimicrobial therapy <i>Vivienne Weston</i>	228
20	HIV and otolaryngology <i>Thomas A Tami and Jahmal A Hairston</i>	238
<b>PART 5 HAEMATOLOGY – EDITED BY NICHOLAS S JONES</b>		<b>251</b>
21	Blood groups, blood components and alternatives to transfusion <i>Fiona Regan and Ian Gabriel</i>	253
22	Haemato-oncology <i>Clare Wykes and Fiona Regan</i>	265
23	Haemostasis: normal physiology, disorders of haemostasis and thrombosis and their management <i>Fiona Regan</i>	278
<b>PART 6 ENDOCRINOLOGY – EDITED BY NICHOLAS S JONES</b>		<b>293</b>
24	The pituitary gland: anatomy and physiology <i>John Hill</i>	295
25	The pituitary: imaging and tests of function <i>Alan P Johnson, Swarupsinh Chavda and Paul Stewart</i>	303
26	The thyroid gland: anatomy and physiology <i>Julian A McGlashan</i>	314
27	The thyroid gland: function tests and imaging <i>Susan Clarke</i>	327
28	The thyroid: nonmalignant disease <i>Lorraine M Albon and Jayne A Franklyn</i>	338
29	The parathyroid glands: anatomy and physiology <i>Mateen H Arastu and William J Owen†</i>	367
30	Parathyroid function tests and imaging <i>David Hosking</i>	379
31	Parathyroid dysfunction: medical and surgical therapy <i>E Dinakara Babu, Bill Fleming and JA Lynn</i>	387
32	Head and neck manifestations of endocrine disease <i>Jonathan M Morgan and Thomas McCaffrey</i>	398

---

<b>PART 7 PHARMACOTHERAPEUTICS – EDITED BY MARTIN J BURTON</b>	<b>405</b>
33 Drug administration and monitoring <i>Geraldine Gallagher</i>	407
34 Corticosteroids in otolaryngology <i>Niels Mygind and Jens Thomsen</i>	418
35 Drug therapy in otology <i>Wendy Smith and Martin Burton</i>	429
36 Drug therapy in rhinology <i>Wendy Smith and Grant Bates</i>	436
37 Drug therapy in laryngology and head and neck surgery <i>Wendy Smith and Rogan Corbridge</i>	446
<b>PART 8 PERIOPERATIVE MANAGEMENT – EDITED BY MARTIN J BURTON</b>	<b>455</b>
38 Preparation of the patient for surgery <i>Adrian Pearce</i>	457
39 Recognition and management of the difficult airway <i>Adrian Pearce</i>	467
40 Adult anaesthesia <i>Andrew D Farmery and Jaideep J Pandit</i>	488
41 Paediatric anaesthesia <i>Alistair Cranston</i>	507
42 Adult critical care <i>Gavin G Lavery</i>	526
43 Paediatric intensive care <i>Helen Allen and Rob Ross Russell</i>	542
<b>PART 9 SAFE AND EFFECTIVE PRACTICE – EDITED BY MARTIN J BURTON</b>	<b>549</b>
44 Training, accreditation and the maintenance of skills <i>Paul O'Flynn</i>	551
45 Communication and the medical consultation <i>Damian Gardner-Thorpe and Richard Canter</i>	559
46 Clinical governance: Improving the quality of patient care <i>Debbie Wall, Patrick J Bradley and Aidan Halligan</i>	568
47 Medical ethics <i>Katherine Wasson</i>	581
48 Medical jurisprudence and otorhinolaryngology <i>Maurice Hawthorne and Desmond Watson</i>	594
<b>PART 10 INTERPRETATION AND MANAGEMENT OF DATA – EDITED BY MARTIN J BURTON</b>	<b>613</b>
49 Epidemiology <i>Jan HP van der Meulen and David A Lowe</i>	615
50 Outcomes research <i>Iain RC Swan</i>	633
51 Evidence-based medicine <i>Martin J Burton</i>	645
52 Critical appraisal skills <i>Martin Dawes</i>	649

---

<b>PART 11 RECENT ADVANCES IN TECHNOLOGY – EDITED BY MARTIN J BURTON</b>	<b>673</b>
53 Functional magnetic resonance imaging: Principles and illustrative applications for otolaryngology <i>Paul M Matthews</i>	675
54 Positron emission tomography and integrated PET/computed tomography <i>Wai Lup Wong</i>	684
55 Image-guided surgery, 3D planning and reconstruction <i>Ghassan Alusi and Michael Gleeson</i>	701
56 Ultrasound in ear, nose and throat practice <i>Keshthra Satchithananda and Paul S Sidhu</i>	711
57 Interventional techniques <i>James V Byrne</i>	731
58 Laser principles in otolaryngology, head and neck surgery <i>Brian JG Bingham</i>	742
59 Electrophysiology and monitoring <i>Patrick R Axon and David M Baguley</i>	748
60 Optical coherence tomography <i>Mariah Hahn and Brett E Bouma</i>	755
61 Contact endoscopy <i>Mario Andrea and Oscar Dias</i>	762
<b>PART 12 PAEDIATRIC OTORHINOLARYNGOLOGY – EDITED BY RAY CLARKE</b>	<b>769</b>
62 Introduction <i>Ray Clarke</i>	771
63 The paediatric consultation <i>Ray Clarke and Ken Pearman</i>	776
64 ENT input for children with special needs <i>Francis Lannigan</i>	783
65 Head and neck embryology <i>T Clive Lee</i>	792
66 Molecular otology, development of the auditory system and recent advances in genetic manipulation <i>Henry Pau</i>	811
67 Hearing loss in preschool children: screening and surveillance <i>Kai Uus and John Bamford</i>	821
68 Hearing tests in children <i>Glynnis Parker</i>	834
69 Investigation and management of the deaf child <i>Sujata De, Sue Archbold and Ray Clarke</i>	844
70 Paediatric cochlear implantation <i>Joseph G Toner</i>	860
71 Congenital middle ear abnormalities in children <i>Jonathan P Harcourt</i>	869
72 Otitis media with effusion <i>George Browning</i>	877
73 Acute otitis media in children <i>Peter Rea and John Graham</i>	912

74	Chronic otitis media in childhood <i>John Hamilton</i>	928
75	Management of congenital deformities of the external and middle ear <i>David Gault and Mike Rothera</i>	965
76	Disorders of speech and language in paediatric otolaryngology <i>Ray Clarke and Siobhan McMahon</i>	990
77	Cleft lip and palate <i>Chris Penfold</i>	996
78	Craniofacial anomalies: genetics and management <i>Dean Kissun, David Richardson, Elizabeth Sweeney and Paul May</i>	1019
79	Vertigo in children <i>Gavin AJ Morrison</i>	1040
80	Facial paralysis in childhood <i>SS Musheer Hussain</i>	1052
81	Epistaxis in children <i>Ray Clarke</i>	1063
82	Nasal obstruction in children <i>Michelle Wyatt</i>	1070
83	Paediatric rhinosinusitis <i>Glenis Scadding and Helen Caulfield</i>	1079
84	The adenoid and adenoidectomy <i>Peter J Robb</i>	1094
85	Obstructive sleep apnoea in childhood <i>Helen M Caulfield</i>	1102
86	Stridor <i>David Albert</i>	1114
87	Acute laryngeal infections <i>Susanna Leighton†</i>	1127
88	Congenital disorders of the larynx, trachea and bronchi <i>Martin Bailey</i>	1135
89	Laryngeal stenosis <i>Michael J Rutter and Robin T Cotton</i>	1150
90	Paediatric voice disorders <i>Ben Hartley</i>	1167
91	Juvenile-onset recurrent respiratory papillomatosis <i>Michael Kuo and William J Primrose</i>	1174
92	Foreign bodies in the ear and the aerodigestive tract in children <i>A Simon Carney, Nimesh Patel and Ray Clarke</i>	1184
93	Tracheostomy and home care <i>Michael Saunders</i>	1194
94	Cervicofacial infections in children <i>Ben Hartley</i>	1210
95	Diseases of the tonsil <i>William S McKerrow</i>	1219
96	Tonsillectomy <i>William S McKerrow and Ray Clarke</i>	1229
97	Salivary gland disorders in childhood <i>Peter D Bull</i>	1242
98	Tumours of the head and neck in childhood <i>Fiona B MacGregor</i>	1251

99	Branchial arch fistulae, thyroglossal duct anomalies and lymphangioma <i>Peter D Bull</i>	1264
100	Gastro-oesophageal reflux and aspiration <i>Haytham Kubba</i>	1272
101	Diseases of the oesophagus, swallowing disorders and caustic ingestion <i>Lewis Spitz</i>	1282
102	Imaging in paediatric ENT <i>Neville Wright</i>	1295
103	Medical negligence in paediatric otolaryngology <i>Maurice Hawthorne</i>	1305

## VOLUME 2

<b>PART 13 THE NOSE AND PARANASAL SINUSES – EDITED BY VALERIE J LUND</b>		<b>1313</b>
104	Anatomy of the nose and paranasal sinuses <i>H Stammberger and Valerie J Lund</i>	1315
105	Nasal endoscopy <i>Rodney J Schlosser and David W Kennedy</i>	1344
106	Physiology of the nose and paranasal sinuses <i>Adrian Drake-Lee</i>	1355
107	Measurement of the nasal airway <i>Ronald Eccles</i>	1372
108	Classification and differential diagnosis of rhinosinusitis <i>Ian S Mackay and Valerie J Lund</i>	1380
109	Allergic rhinitis <i>Glenis Scadding and Stephen Durham</i>	1386
110	Nonallergic perennial rhinitis <i>Claus Bachert</i>	1408
111	Occupational rhinitis <i>Hesham Saleh</i>	1415
112	Food allergy and intolerance <i>Carsten Bindslev-Jensen and Morten Osterballe</i>	1424
113	Rhinosinusitis <i>Michael S Benninger</i>	1439
114	Fungal rhinosinusitis <i>Jean Michel Klossek</i>	1449
115	Specific chronic infections <i>S Bahadur and A Thakar</i>	1458
116	Medical management of chronic rhinosinusitis <i>Glenis Scadding</i>	1469
117	Surgical management of rhinosinusitis <i>Valerie J Lund and Julian Rowe-Jones</i>	1478
118	The frontal sinus <i>Wolfgang Draf</i>	1500
119	Mucocoeles <i>Valerie J Lund</i>	1531
120	Complications of rhinosinusitis <i>Robert Slack and Richard Sim</i>	1539

121	Nasal polyposis <i>Niels Mygind and Valerie J Lund</i>	1549
122	The relationship between the upper and lower respiratory tract <i>Jean Bousquet and Antonio M Vignola†</i>	1560
123	The septum <i>Adriaan F van Olphen</i>	1569
124	Nasal septal perforations <i>Charles East and Santdeep Paun</i>	1582
125	The management of enlarged turbinates <i>Luisa F Grymer</i>	1589
126	Epistaxis <i>Gerald W McGarry</i>	1596
127	Nasal fractures <i>Brent A McMonagle and Michael Gleeson</i>	1609
128	Fractures of the facial skeleton <i>Simon Holmes and Michael Gleeson</i>	1618
129	Cerebrospinal fluid rhinorrhoea <i>Andrew H Marshall and Nicholas S Jones</i>	1636
130	Granulomatous conditions of the nose <i>David J Howard and Valerie J Lund</i>	1645
131	Abnormalities of smell <i>Richard L Doty and Steven M Bromley</i>	1660
132	Orbital and optic nerve decompression <i>Valerie J Lund and Geoffrey E Rose</i>	1677
133	Dacryocystorhinostomy <i>Neil Fergie and Nicholas S Jones</i>	1689
134	Conditions of the external nose <i>Michael O'Connell</i>	1699
135	The diagnosis and management of facial pain <i>Tim J Woolford and Nicholas S Jones</i>	1718
136	Medical negligence in rhinology <i>Maurice Hawthorne</i>	1730
<b>PART 14 THE NECK – EDITED BY JOHN HIBBERT</b>		<b>1737</b>
137	Surgical anatomy of the neck <i>Chris R Jennings</i>	1739
138	Examination and imaging of the neck <i>Sheila C Rankin and John Hibbert</i>	1754
139	Neck trauma <i>Johannes J Fagan and Andrew J Nicol</i>	1766
140	Benign neck disease: infections and swellings <i>Peter Clarke</i>	1777
<b>PART 15 THE UPPER DIGESTIVE TRACT – EDITED BY JOHN HIBBERT</b>		<b>1789</b>
141	Anatomy of the mouth and dentition <i>Barry KB Berkovitz</i>	1791
142	Benign oral and dental disease <i>Crispian Scully and Jose-V Sebastian Bagan</i>	1816

143	Abnormalities of taste <i>Steven M Bromley and Richard L Doty</i>	1840
144	Salivary gland anatomy <i>Graham J Cox</i>	1852
145	Physiology of the salivary glands <i>Roderick Cawson† and Michael Gleeson</i>	1858
146	Imaging of the salivary glands <i>Nicole JM Freling</i>	1871
147	Non-neoplastic salivary gland diseases <i>Stephen R Porter</i>	1898
148	Cysts and tumours in and around the jaws, including sarcoma <i>Mark McGurk, Anna Cassoni and Lisa Pitkin</i>	1921
149	Anatomy of the pharynx and oesophagus <i>Nigel Beasley</i>	1942
150	Physiology of swallowing <i>Paula Leslie and Stephen McHanwell</i>	1954
151	Functional investigations of the upper gastrointestinal tract <i>Lisa J Hirst</i>	1964
152	Acute and chronic pharyngeal infection <i>Marcelle Macnamara</i>	1981
153	Causes of dysphagia <i>Elfy B Chevretton</i>	2025
154	Globus pharyngeus <i>Petros D Karkos and Janet A Wilson</i>	2037
155	Pharyngeal pouch <i>Grant Bates</i>	2043
156	Oesophageal diseases <i>Robert C Mason</i>	2062
157	Neurological disease of the pharynx <i>Robert J Sanderson†, Paul Tierney and Richard Adamson</i>	2074
158	Dysphagia: management and intervention <i>Alison Perry</i>	2084
159	Management and treatment of intractable aspiration <i>Elfy B Chevretton</i>	2094
<b>PART 16 THE UPPER AIRWAY – EDITED BY JOHN HIBBERT</b>		<b>2105</b>
160	Anatomy of the nasopharynx <i>Alexander C Vlantis and C Andrew van Hasselt</i>	2107
161	Benign conditions of the nasopharynx <i>Victor J Abdullah and C Andrew van Hasselt</i>	2116
162	Anatomy of the larynx and tracheobronchial tree <i>Nigel Beasley</i>	2130
163	Assessment and examination of the upper respiratory tract <i>Jean-Pierre Jeannon and Marcelle Macnamara</i>	2145
164	Physiology of the larynx <i>Lesley Mathieson and Paul Carding</i>	2155
165	Voice and speech production <i>Paul Carding and Lesley Mathieson</i>	2164
166	Objective evaluation of the voice <i>Julian McGlashan and Adrian Fourcin</i>	2170

167	Disorders of the voice <i>Julian McGlashan</i>	2192
168	The professional voice <i>Meredydd Harries</i>	2211
169	Speech therapy in ENT practice: scope, science and evidence for intervention <i>Alison Perry</i>	2216
170	Phonosurgery <i>Meredydd Harries</i>	2234
171	Acute infections of the larynx <i>Andrew C Swift</i>	2248
172	Chronic laryngitis <i>Kenneth MacKenzie</i>	2258
173	Laryngeal trauma and stenosis <i>Lisa Pitkin</i>	2271
174	Upper airway obstruction <i>Paul Pracy</i>	2286
175	Tracheostomy <i>Paul Pracy</i>	2292
176	Physiology of sleep and sleep disorders <i>John Fleetham</i>	2305
177	Obstructive sleep apnoea: medical management <i>Dev Banerjee</i>	2313
178	The surgical management of snoring <i>Marcelle Macnamara</i>	2325
<b>PART 17 HEAD AND NECK TUMOURS – EDITED BY JOHN HIBBERT</b>		<b>2341</b>
179	Epidemiology of head and neck cancer <i>Randall P Morton and Mark E Izzard</i>	2343
180	Aetiology of head and neck cancer <i>Nicholas D Stafford</i>	2351
181	Staging of head and neck cancer <i>Nicholas J Roland</i>	2359
182	Data collection in head and neck cancer <i>Richard Wight</i>	2372
183	Prognostic indicators and serum markers <i>Andrew S Jones</i>	2378
184	Skin cancer of the head and neck <i>Garrick A Georgeu and Michael Gleeson</i>	2395
185	Mucosal malignant melanoma <i>Andrew S Jones</i>	2406
186	Nasal cavity and paranasal sinus malignancy <i>Brent A McMonagle and Michael Gleeson</i>	2417
187	Juvenile angiofibroma <i>Michael Gleeson</i>	2437
188	Nasopharyngeal carcinoma <i>John Kong Sang Woo and C Andrew van Hasselt</i>	2445
189	Benign salivary gland tumours <i>Michael Gleeson and Roderick Cawson†</i>	2475
190	Malignant tumours of the salivary glands <i>Andrew S Jones</i>	2493

191	Tumours of the parapharyngeal space <i>Andrew S Jones</i>	2522
192	Oral cavity tumours including the lip <i>Keith Webster</i>	2543
193	Oropharyngeal tumours <i>Patrick J Bradley</i>	2577
194	Tumours of the larynx <i>Martin A Birchall and Laysan Pope</i>	2598
195	Rehabilitation after laryngectomy <i>Andrew J Parker</i>	2623
196	Tumours of the hypopharynx and oesophagus <i>Andrew S Jones</i>	2633
197	Thyroid cancer <i>James Ramsden and John C Watkinson</i>	2663
198	Management of the patient presenting with neck lymphadenopathy and an unknown primary carcinoma <i>Jawaher Ansari and John Glaholm</i>	2702
199	Metastatic neck disease <i>John C Watkinson</i>	2711
200	Developments in radiotherapy for head and neck cancer <i>John Glaholm</i>	2753
201	Quality of life in head and neck cancer <i>Randall P Morton and Hisham Mehanna</i>	2766
202	Palliative care for head and neck cancer <i>Charles Diamond and Claud Regnard</i>	2781
203	Medical negligence in head and neck surgery <i>Arnold GD Maran</i>	2803

## VOLUME 3

<b>PART 18 PLASTIC SURGERY OF THE HEAD AND NECK – EDITED BY JOHN C WATKINSON</b>		<b>2811</b>
204	The history of reconstructive surgery of the head and neck <i>Ralph W Gilbert and John Watkinson</i>	2813
205	Grafts and local flaps in head and neck surgery <i>John C Watkinson</i>	2819
206	Pedicled flaps in head and neck surgery <i>John C Watkinson and Ralph W Gilbert</i>	2847
207	Free flaps in head and neck reconstruction <i>Ralph W Gilbert</i>	2867
208	Keloids, hypertrophic scars and scar revision <i>J Regan Thomas and Steven Ross Mobley</i>	2891
209	Principles of osseointegration and the role of prosthetics <i>M Stephen Dover and Steve Worrollo</i>	2901
210	A combined prosthetic and surgical approach to head and neck reconstruction <i>Steve Worrollo and M Stephen Dover</i>	2924
211	Aesthetics, facial proportions and digital planning in facial plastic surgery <i>Archana Vats and David Roberts</i>	2943
212	Reduction rhinoplasty <i>Julian M Rowe-Jones</i>	2950

213	External rhinoplasty <i>Gilbert J Nolst Trenité and Santdeep H Paun</i>	2959
214	Augmentation rhinoplasty <i>Lydia Badia and Charles East</i>	2970
215	Revision rhinoplasty <i>Gerhard Rettinger and Claudia Rudack</i>	2979
216	The deviated nose <i>Charles East</i>	2987
217	The nasal tip and nasolabial angle <i>Michael Stearns</i>	2995
218	The nasal valve and its management <i>Ullas Raghavan and Nicholas S Jones</i>	3006
219	Nasal reconstruction <i>Ullas Raghavan and Nicholas S Jones</i>	3015
220	Total reconstruction of the pinna <i>David Gault</i>	3028
221	Blepharoplasty <i>Brian Leatherbarrow</i>	3048
222	The ageing face <i>John M Hilinski and Dean M Toriumi</i>	3068
223	Facial reanimation <i>Douglas Harrison</i>	3077
224	Medical negligence in facial plastic surgery <i>Maurice Hawthorne and David Ward</i>	3088

---

**PART 19 THE EAR, HEARING AND BALANCE – EDITED BY GEORGE G BROWNING AND LINDA M LUXON** **3099**

---

<b>Section A: Basic science aspects</b>		<b>3103</b>
225	The anatomy and embryology of the external and middle ear <i>Tony Wright and Peter Valentine</i>	3105
226	Form and ultrastructure of the cochlea and its central connections <i>David N Furness and Carole M Hackney</i>	3126
227	Anatomy and ultrastructure of the vestibular organ <i>Helge Rask-Andersen and Dan Bagger-Sjögäck</i>	3147
228	Sound vibrations and waves <i>Peter Haughton</i>	3158
229	Physiology of hearing <i>James O Pickles</i>	3173
230	Physiology of equilibrium <i>Floris L Wuyts and An Boudewyns</i>	3207
231	The perception of sound <i>Brian CJ Moore</i>	3245
232	Psychoacoustic audiometry <i>Stig Arlinger</i>	3260
233	Evoked physiological measurement of auditory sensitivity <i>Hillel Pratt</i>	3276
234	Prevention of hearing loss: scientific principles <i>Su-Hua Sha, Andra E Talaska and Jochen Schacht</i>	3298

<b>Section B: Clinical aspects</b>	<b>3307</b>
235 Clinical examination of the ears and hearing <i>Peter-John Wormald</i>	3311
236 Conditions of the pinna and external auditory canal <i>George G Browning</i>	3321
236a Furunculosis <i>Malcolm P Hilton</i>	3323
236b Bullous myringitis <i>Bo Tideholm</i>	3326
236c Granular myringitis <i>Bo Tideholm</i>	3328
236d Benign necrotizing otitis externa <i>James W Loock</i>	3332
236e Malignant otitis externa <i>A Simon Carney</i>	3336
236f Keratosis obturans and primary auditory canal cholesteatoma <i>Tristram HJ Lesser</i>	3342
236g Acquired atresia of the external ear <i>Jonathan P Harcourt</i>	3346
236h Otitis externa and otomycosis <i>A Simon Carney</i>	3351
236i Perichondritis of the external ear <i>James W Loock</i>	3358
236j Relapsing polychondritis <i>James W Loock</i>	3362
236k Exostosis of the external auditory canal <i>Philip J Robinson</i>	3366
236l Foreign bodies in the ear <i>Gary Kroukamp and James W Loock</i>	3370
236m Haematoma auris <i>James W Loock</i>	3373
236n Osteoradionecrosis of the temporal bone <i>James W Loock</i>	3376
236o Herpes zoster oticus <i>A Simon Carney</i>	3379
237 Conditions of the middle ear <i>George G Browning</i>	3383
237a Acute otitis media in adults <i>George G Browning</i>	3385
237b Otitis media with effusion in adults <i>Michael Chi Fai Tong and C Andrew van Hasselt</i>	3388
237c Chronic otitis media <i>George G Browning, Saumil N Merchant, Gerard Kelly, Iain RC Swan, Richard Canter and William S McKerrow</i>	3395
237d Tuberculosis of the temporal bone <i>Jose M Acuin</i>	3446
237e Otosclerosis <i>Saumil N Merchant, Michael J McKenna, George G Browning, Peter A Rea and Rinze A Tange</i>	3453
237f Paget's disease <i>Ian D Bottrill</i>	3486

237g	Ear trauma <i>Robert Mills, Desmond A Nunez and Stephen C Toynton</i>	3491
237h	Otalgia <i>Liam M Flood</i>	3526
238	Conditions of the cochlea <i>George G Browning</i>	3537
238a	Age-related sensorineural hearing impairment <i>David M Baguley, Evan Reid and Andrew McCombe</i>	3539
238b	Noise-induced hearing loss <i>David M Baguley and Andrew McCombe</i>	3548
238c	Autosomal dominant nonsyndromic sensorineural hearing impairment <i>Cor WRJ Cremers</i>	3558
238d	Ototoxicity <i>Stephen O'Leary</i>	3567
238e	Idiopathic sudden sensorineural hearing loss <i>Martin J Burton and Richard J Harvey</i>	3577
238f	Tinnitus and other dysacusis <i>Borka Ceranic and Linda M Luxon</i>	3594
239	Management of hearing impairment <i>George G Browning</i>	3629
239a	Hearing aids <i>Harvey Dillon</i>	3631
239b	Bone-anchored hearing aids <i>George G Browning</i>	3642
239c	Cochlear implants <i>Andrew Marshall and Kevin P Gibbin</i>	3649
239d	Middle ear implants <i>Richard M Irving and Andrew Scott</i>	3660
239e	Accessory devices <i>Leo McClymont</i>	3666
240	Balance disorders <i>Linda M Luxon</i>	3673
240a	Pathology of the vestibular system <i>Dan Bagger-Sjöbäck and Helge Rask-Andersen</i>	3675
240b	Evaluation of balance <i>Adolfo M Bronstein</i>	3706
240c	Vertigo: Clinical syndromes <i>G Michael Halmagyi, Matthew J Thurtell and Ian S Curthoys</i>	3748
240d	Vertigo: clinical management and rehabilitation <i>Doris-Eva Bamiou and Linda M Luxon</i>	3791
240e	Medical negligence in otology <i>Maurice Hawthorne</i>	3826
241	Retrocochlear and facial nerve disorders <i>Linda M Luxon</i>	3835
241a	Retrocochlear hearing disorders, including auditory dyssynchrony <i>Rosalyn A Davies</i>	3837
